2º CONTRAST WEEK-END

Dear friends:

It's a pleasure to invite you to second CONTRAST WEEK-END that is being holding on the weekend or 12th, 13th and 14th of November 2010 at the circuit of Almussafes (Valencia).

Having in mind the nice days of the past edition with happiness, knowledge and friendly racing, now we present you the 2010 edition which will be better, with more international top drivers, technical news for 2011 and Master Classes.

The CONTRAST WEEK-END is a radiocontrol party addressed to **ALL THE LARGE SCALE DRIVERS**, no matter the branch of the car they drive. The CONTRAST WEEK-END is a great meeting for drivers, enthusiastic and professionals of the Large Scale where, without the pressure of an official race, we will be able to enjoy the best of the great scale with friends and the best drivers in the world. This is the list of interesting acts waiting for you at the CONTRAST WEEK-END:

- You will meet the main Contrast drivers around the world, among others international Top drivers who will confirm their attendance soon.
- Showing of the main Contrast technical novelties for 2011 and those from other branches such as FG, Abbate, Lippo, GRP, Samba, Mielke, etc...
- Three Master classes of one hour exposed by interesting Top drivers, manufacturers and tuners which will be confirmed soon.
- Great "Paella" for everyone on Saturday noon. Personal invitation from Dani Fuertes to all the drivers.
- Breakfasts and lunches on track "cantina" at the best prices.
- Big daily dinners in a restaurant at only 200 meters of the hotel and track. It isn't needed to take the car.
- Friendly race of 1/5 Touring. On Saturday heats and on Sunday the finals.
- Friendly outlaw race. 1/6 off road cars with on road F1 tyres.
- On-line timer and free Wi-Fi connection on the track
- Trials on track of the Contrast Neox for those who wish it with no compromise.
- Special offers in spares, tyres and novelties.
- Welcome present only for participating.
- Autet Club (Almussafes track owner) has asked the European Championship 2012. It is a good opportunity to start to know the track
- The smooth weather and autumn of the Mediterranean Coast (temperature from 14º to 20ºC) and the touristic attractions of Valencia city at 15 minutes from Almussafes

The CONTRAST WEEK-END is going to recover the "meeting with friends" spirit to "run a race, having lunch, chatting and laughing" once the tension and rivalries from official competitions come to an end. The CONTRAST WEEK-END is the large scale party of the end season. It is not important who win, everybody run for fun.

We are waiting for you in Almussafes (Valencia – Spain)

Dani Fuertes and the Contrast Team.
